I ryan bundy hereby declare the forgoing to be true.

- 1) Truth; That I am an adult man upon the land of America who is known as ryan bundy
- 2) Truth; That on April 6, 2014 and before I observed a mysterious device located on the hill directly Northeast of, and overlooking the Cliven Bundy home. The devise comprised of telephoto lens and camera type implement, and a visible laser pointing directly at the Bundy home. The devise was mounted on a tripod, had an antenna, and was supported by an electric generator.
- 3) Truth; That I, not knowing what the device was designed to do, speculated that it was for video and audio surveillance for remote viewing and or "painting" the Bundy home for artillery or airial target acquisition. Purhaps a Parabolic Listening Device.
- 4) Truth; That on or about April 7, 2014 a similar devise and electric generator was set up on a hill South of the Riverside Bridge pointing directly at the location where American People had set up flag poles and were peaceably assembling.
- 5) Truth; That on Sunday April 6, 2017 I witnessed BLM service the devise above the Bundy home accompanied by a contingent of militarily armed personnel consisting of several vehicles, and several gunmen with assault rifles, who set up a perimeter around the devise while being serviced.
- 6) Truth; That the presence of the device above the Bundy home and the military force accompanying it destroyed the semblance of security we accustomely enjoy. A gut wrenching feeling of invasion ate at us, fear
